

Course Title: **Qualitative Research**

Course Code: **HEAL810**

Descriptor Start Date: **01/03/2021**

Descriptor End Date: **31/12/2025**

POINTS: **15.00**

LEVEL: **8**

PREREQUISITE/S:

COREQUISITE/S:

RESTRICTION/S:

## LEARNING HOURS

Hours may include lectures, tutorials, online forums, laboratories. Refer to your timetable and course information in Canvas for detailed information.

**Total learning hours: 150**

## PRESCRIPTOR

Analyses the philosophical and theoretical underpinnings of qualitative methodologies and the application of congruent methods (internal consistency) in relation to issues of rigour, and ethical and socio-cultural-political considerations.

## LEARNING OUTCOMES

1. Synthesise knowledge, understanding and skills that are necessary to enable the planning of a qualitative research study focussed on a discipline specific issue.
2. Apply Tiriti o Waitangi partnership principles when planning research
3. Demonstrate internal consistency between topic, research question, aim, methodology and methods for a qualitative research project.
4. Critique literature in relation to research issue and methodology.
5. Present work at the appropriate academic standard.

**Disclaimer: Course descriptors may be amended between teaching periods/semesters**
