PRESCRIPTOR

An examination of the prevailing issues, concepts, norms and principles which underpin the philosophical foundations of private law (in particular, tort law, contract law, and property law) and the expanding discourse on indigenous legal norms. The historical and contemporary application of indigenous private law in selected jurisdictions, provide an international and local context to how indigenous law has evolved beyond the common scope of inquiry.

LEARNING OUTCOMES

1. Examine the prevailing issues underpinning the intersection of private law and indigenous legal norms.
2. Explain, analyse and critically evaluate the major theories about the structure of private law.
3. Critically examine and recognise the context of indigenous private law in selected jurisdictions.
4. Research and critically apply the indigenous concepts, norms and principles that holistically form the scope of indigenous private law.
