COREQUISITE/S:

RESTRICTION/S:

LEARNING HOURS

Hours may include lectures, tutorials, online forums, laboratories. Refer to your timetable and course information in Canvas for detailed information.

Total learning hours: 300

PRESCRIPTOR

An employment related project that examines the relationship between theory and practise. The project provides an opportunity to test theories and to reflect upon professional practise.

LEARNING OUTCOMES

1. Critically reflect upon personal and professional development during the WIL placement
2. Contextualise the placement organisation within the relevant professional and/or community environment
3. Critically evaluate the connection between the professional and/or community experience, relevant theoretical perspectives and academic learning
4. Demonstrate appropriate communication skills and styles relevant to the academic, professional and/or community environment
5. Present work at the appropriate academic standard

CONTENT

- Placement experience and appropriate professional practices
- Development of a professional portfolio
- Application of theory to practice
- Reflection and critical analysis
- Personal, academic and professional development

Disclaimer: Course descriptors may be amended between teaching periods/semesters

LEARNING & TEACHING STRATEGIES
